The preferences are surprisingly detailed for a game of this type, allowing you to download different card sets, change the desktop background and add new players.. Pretty Good Solitaire Play hundreds of solitaire games, including FreeCell, Spider, and more! Beautiful card sets, create your own games, and play Quests! Windows 1000 Games - Mac 700 Games Pretty Good Solitaire is the world's most popular collection of solitaire card games with 1000 different games, from classic games like Klondike (the classic 7 pile solitaire game), FreeCell, and Spider, to original games found nowhere else.. All of them show the rules and high scores when you Ctrl-click or right-click on them.. Pretty Good Solitaire contains enough games for every mood and if you can't find it here, you won't find it anywhere.

The interface is a bit ugly but fairly easy to use Just scroll through the games and click on the one you'd like to try.. If you don't know which one to try, just click on 'Random' and Pretty Good Solitaire will throw a random game at you.
